繁香坞

杂植名花傍草堂，紫蕤丹艳漫成行。
春光烂熳千机锦，淑气熏蒸百和香。
自爱芳菲满怀袖，不叫风露湿衣裳。
高情已在繁华外，静看游蜂上下狂。
繁香坞在若墅堂之前，杂植牡丹、芍药、
丹桂、海棠、紫璃诸花。孟宗献诗云：“从
君小筑繁香坞。”

Fragrant Scent Valley

*Various flowers are planted beside the
cottage,
Purple and red blooms stretch endlessly in
rows.
Spring's brilliance glows like intricate bro-
cade,
Gentle warmth fills the air with a hundred
blended scents.
I cherish the fragrance that fills my sleeves,
Not letting the wind and dew soak my
clothes.
My lofty sentiments lie beyond worldly
splendor,
Quietly watching the busy bees flit up and
down.*

*Fragrant Scent Valley lies in front of Ruoshu
Hall, with various flowers such as peo-
nies, herbaceous peonies, red osmanthus,
crabapple, and purple lilies planted. Meng
Zong offered this poem, saying, "From you,
I build the little Fragrant Scent Valley."*

Suzhou - Humble Administrator's Garden, Wen ZhengMing 1533

钓砦

白石净无尘，平临野水津。
坐看丝袅袅，静爱玉粼粼。
得意江湖远，忘机鸥鹭驯。
须知演纶者，不是羡鱼人。
钓砦在意远台下，春明之际，柳阴落花，
令人坐恋忘返。

Fishing Spot

*The white stones are pure, without dust,
Stretching out beside the wild waters.
I sit and watch the silk line ripple,
In quiet admiration of the sparkling jade-like
waters.*

*At peace with the distant rivers and lakes,
Free from cunning, the gulls and egrets
grow tame.*

*One must know, the one casting the line
Is not someone envious of the fish.*

*The *Fishing Spot* lies beneath the Yi Yuan
Terrace. In the brightness of spring, with
willow shadows and fallen flowers,
it makes one linger, unwilling to leave.*

Suzhou - Humble Administrator's Garden, Wen ZhengMing 1533

湘筠坞

种竹绕平冈，冈回竹成坞。
盛夏已惊秋，林深不知午。
中有遗世人，琴樽自容与。
风来酒亦醒，坐听潇湘雨。
湘筠坞在桃花泚之南，槐雨亭北，修竹连亘，境特幽迥。

Xiangyun Bamboo Hollow

*Bamboo is planted around the flat ridge,
The ridge winds, forming a bamboo hollow.
In midsummer, autumn arrives unexpectedly,
The forest is deep, noon goes unnoticed.
Within, a recluse resides,
At ease with his zither and wine.
When the wind stirs, the wine also awakens,
Sitting, listening to the rain from Xiao and Xiang rivers.*

Xiangyun Bamboo Hollow lies south of Tao-hua Pond and north of Huaiyu Pavilion. The tall bamboo stretches far, making the place uniquely serene and secluded.

政和三年閏四月日賜希孟年十六歲昔
在畫學為生徒日入學中文書庫殿以
畫獻未甚工

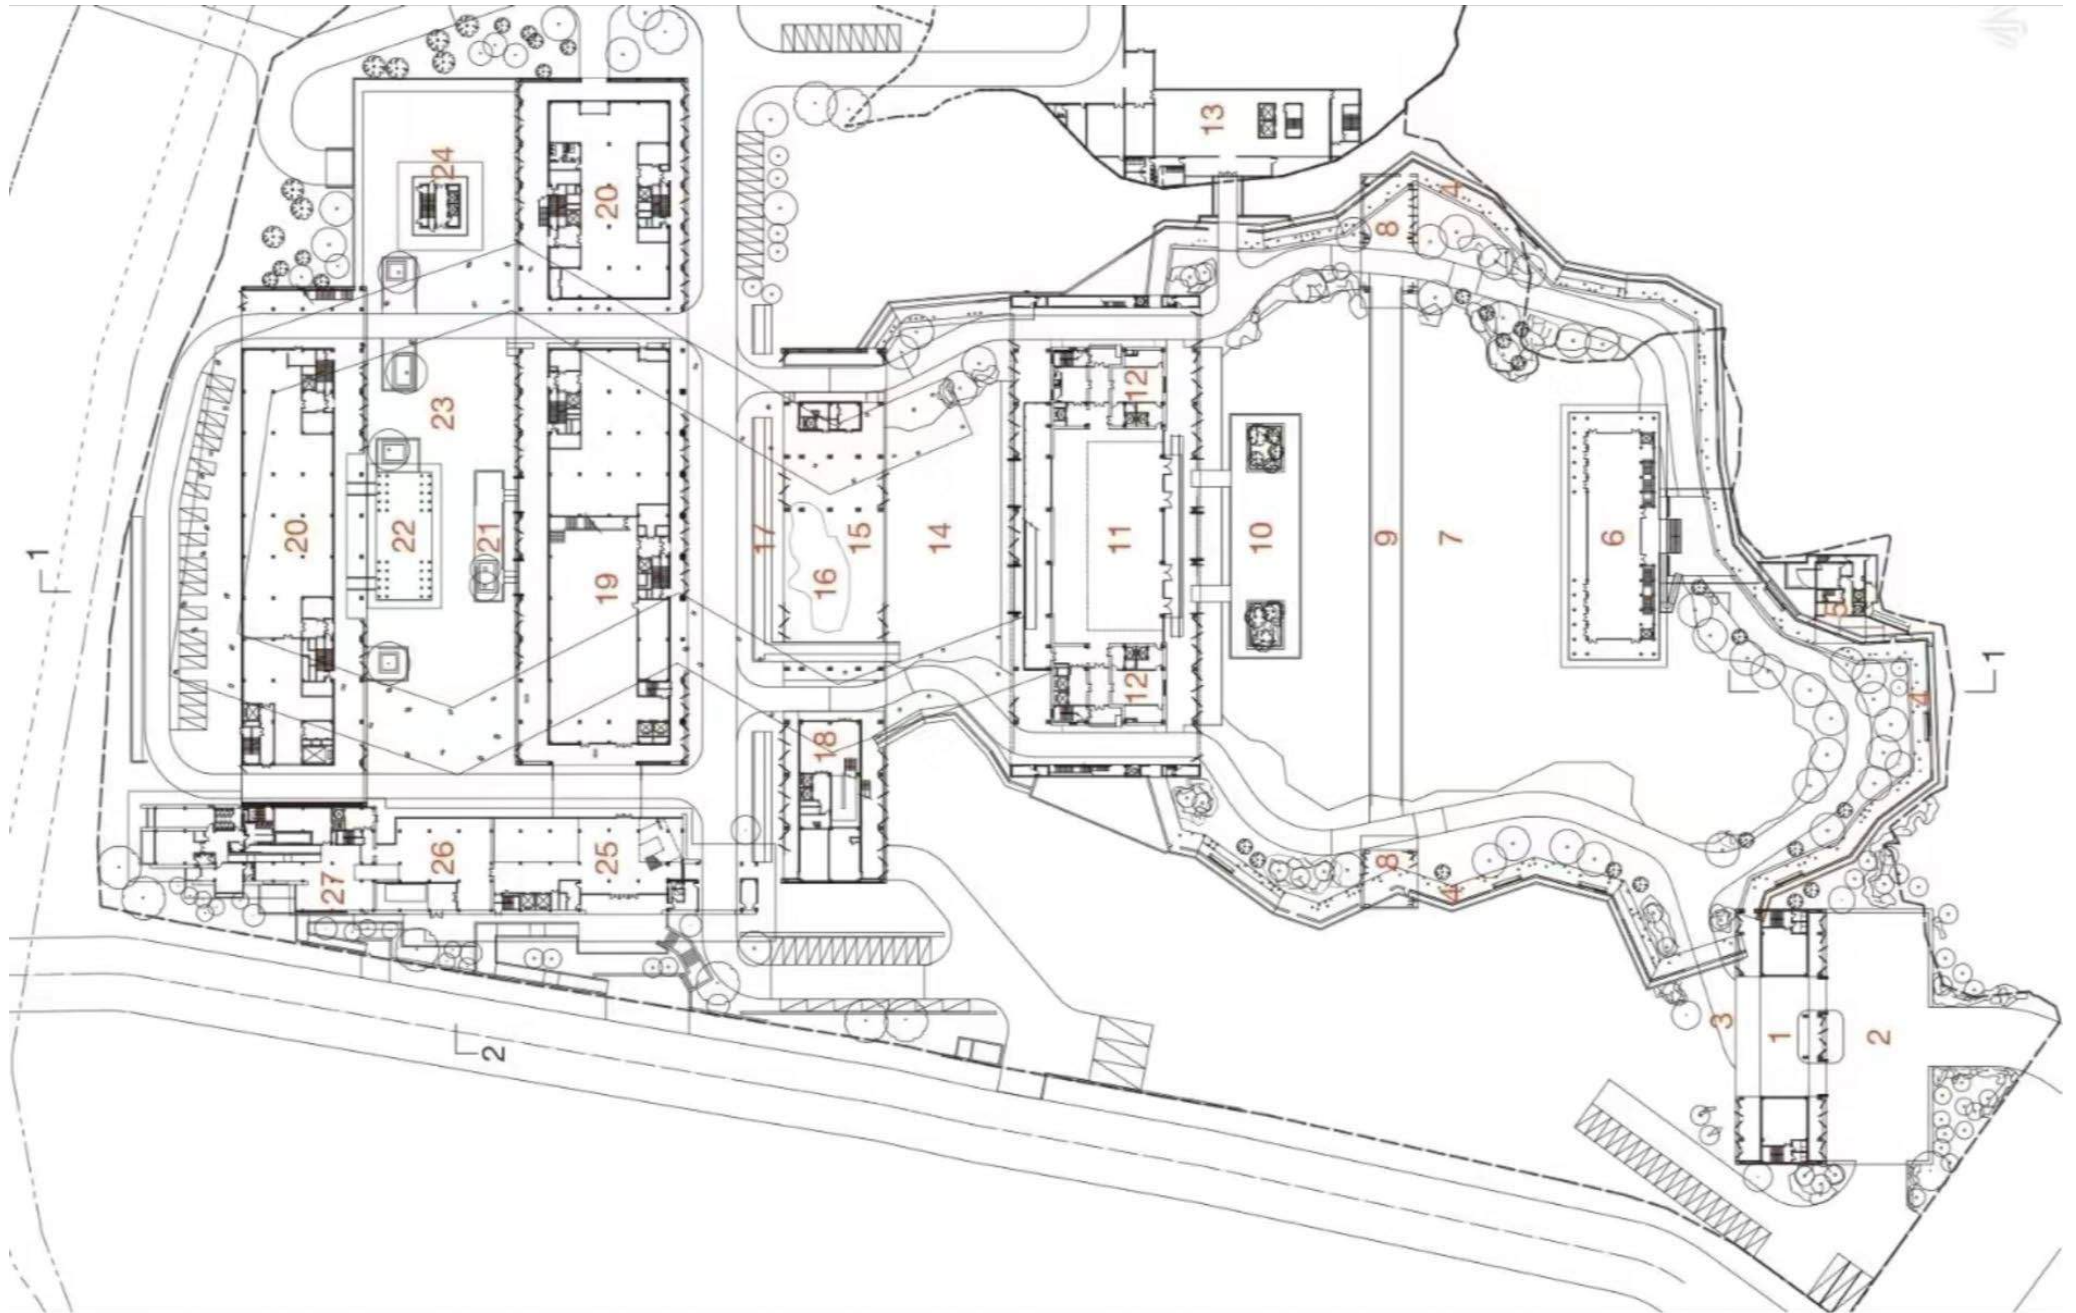

上知其性可教遂海渝之
親授其法不逾半歲乃以此圖進
上嘉之因以賜臣京渭天下士存作之而已

予自志學之歲獲觀此卷迄今已僅百過
其功夫巧密處心目尚有不能周遍者所
謂一回拈出一回新也又其設色鮮明布
置宏遠使王晉卿趙千里見之亦當短
氣在古今丹青小景中自可獨步千載
殆眾星之孤月耳具眼知音之士必以予
